

# COVID-19 Employer Survey

*On behalf of your local WorkBC Centre, we are reaching out to you regarding the current impact of COVID-19 (novel coronavirus), regarding our services and concerns as developments occur, and how this may impact your business. We understand that things are in a state of constant change. We know you are trying to navigate the best options for your business operations, your employees and your customers. We also understand that this is not an easy process, given the rapidly changing circumstances. Hiring needs both in immediacy, and long term Employer Resources to assist during COVID-19 Training that may be needed to assist during current conditions.*

*You have our commitment that we are here and will do our best to accommodate and answer any questions you may have regarding your needs and plans moving forward; we are here to be of service to you in any way possible. Including, providing ongoing updates, to best assist keeping you informed and up to date.*

*Your input provides a great deal of insight to the current labour market within our geographical area and will be most helpful for us to determine how we might best support the Business Community with their hiring needs. Thank-you for taking the time to complete this survey.*
