

Reasons Why Amber Price was Nominated for Inspirational Leader:

Amber had done fantastic things for Chilliwack in the past year with COVID parameters. She held the mural festival, has been out weekly cleaning up the downtown core and has been sharing those events and more on Facebook actively. Amber had demonstrated brilliant initiative and effort and has cared for and loved the town we live in. She is leading by example.

Amber Price is a gem in our community. Her work as an inspiring leader is unparalleled in Chilliwack - from the mural festival, to the downtown cleanup and the rainbow crosswalk initiative, her philosophy of inclusion is an amazing source of inspiration for many. In addition to her community leadership, she runs two successful businesses, employs local folks and is a cheerleader for many in our community who do not have the ability to have their voices heard in Chilliwack. We are lucky to have an advocate and leader like Amber Price in our city
