

### **Reasons Why Cory Silbernagel was Nominated for Community Support Local :**

Cory has been a true champion on the shop local movement. During this time of COVID-19, he has been connecting with small businesses and running contests to promote them! We had not heard of some of these businesses and as a result of his promotions, checked them out and now are regulars! Our family has truly been impressed with Cory's commitment to Chilliwack and how he supports local.

I run a small side business as an income booster for my family. When COVID hit, this small business became even more important for our family. Cory sends birthday cards to his clients every month. He always includes a little gift along with the card. This year, he has placed an order with me every month for his clients birthday gifts. What a gift he has given to me and my family. I believe that Cory truly is a support local advocate. Having his support has made a difference for us!
