

Accelerating Manufacturing Scale-up Grant Program

Hello,

The [Accelerating Manufacturing Scale-Up Grant Program](#) is now open and accepting applications.

The program will invest up to \$10 million to diversify and innovate the province's small and medium sized manufacturing businesses.

Grants of up to \$250,000 are available to eligible individual companies or up to \$500,000 for groups in collaboration.

Applications will be accepted until May 31, 2021.

To find out more visit: BCmanufacturinggrant.ca

We are hosting two workshops in April for potential applicants:

April 21 and 28, 2021

The workshops are taking place from 1 to 2pm PST. The content is the same for both workshops.
