Communications and Marketing

To create and deliver the most effective communications for the Chilliwack Chamber of Commerce, both internally and to the community. For Chamber of Commerce Members, this committee provides eNewsletters with upcoming events and items of interest, maintains the website, Social Media engagement, google analytics and publishes monthly Chamber Pages. The Communications Committee also focuses on external communications; it pledges to keep the Chamber of Commerce fresh in our community's mind and to consistently improve the Chamber's image by keeping them informed of Chamber events, milestones and contributions to the community.

Chair: **Coralee Grimm**

Governance

Monitors the compliance of the Chilliwack Chamber of Commerce Board Policy Manual. This committee will also ensure compliance of the Bylaws as registered with Industry Canada and any other regulatory framework as required by the Province of BC such as the BC Societies Act.

Chair: **William Klaassen**

Membership

Welcomes new members and encourages growth of the membership while ensuring ongoing support, evaluation and adjustment of programs, services and events provided to Chilliwack Chamber of Commerce members and the community.

Chair: **Brittany Corwin**

Policy

Provides leadership in identifying and taking action on local, provincial and federal issues of specific interest to members of the Chilliwack Chamber of Commerce and of concern to the business community at large.

Chair: **Marlon Hall**

Women's Leadership Collective

Through unique encouragement and guidance we will spearhead several initiatives to embrace diversity and support the elevation of women in leadership roles. We will make strides to engage, empower and advocate for women in business.
